

“For the first time in years I love what I see in the mirror.”

### Experience you can't resist

Apix® Facial is designed to help you see the difference. The Renewal technology is uniquely designed for your skin's natural aging process and offers optimal results over the skin's "Phase".

As time progresses, visible signs of aging include, aging related breakdowns, collagen loss, skin tone, and a variety of other age related changes that occur over the Renewal age cycle.
